Our Valued Clients

TURF & LANDSCAPE IRRIGATION

In the concrete jungle that modern urban India is, a patch of green is a visual delight. Sports Fields, Hotels, Real Estate Projects, Amusement Parks, Corporate and institutional buildings etc must therefore necessarily cater to this latent need of emerging India for green spaces. Innovative irrigation solutions utilizing scarce water resources in the most efficient manner has been HARVEL's forte for years now as the evergreen turf of modern architectural marvels like Lotus Temple, Akshardham Temple, luxury hotels like Oberoi's Udai Vilas, Raj Vilas, JW Marriott, Trident etc. and the country's only F1 Race Track at Greater Noida, to name a few, will easily testify.

Product portfolio

HARVEL, known for its 'top of the line' product range, entered into an exclusive collaboration with **Signature** – USA to offer vast range of Pop Up Sprinklers suitable for the smallest of strips to the largest of landscapes with radius of throw ranging from 1 to 5 Meters and 5 to 25 Meters. Signature Control Systems has an unmatched history of over 100 years in the irrigation space.

THE EXTENSIVE RANGE OF POP-UP SPRINKLERS

AGRICULTURAL IRRIGATION

In a country where more than half the population still depends on agriculture for sustenance, imaginative use of Water is imperative. HARVEL's Joint Venture with **AZUD** – Spain, the worldwide leader in intensive agriculture and filtration systems, was a step in the direction of equipping the Indian farming community with the best irrigation technology for remunerative agriculture.

Product portfolio

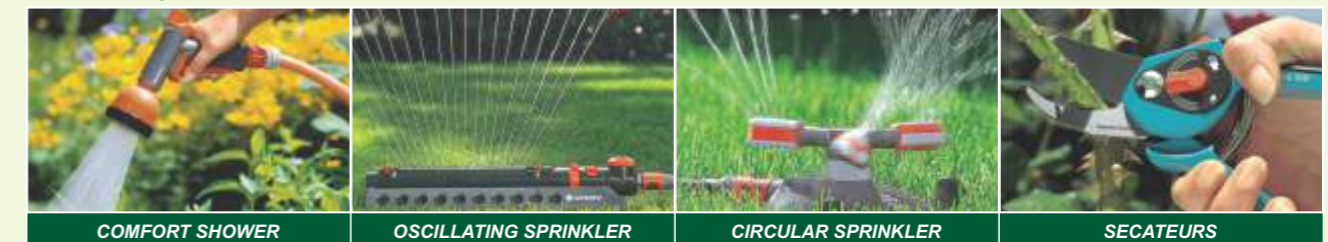

HARVEL's extensive agricultural irrigation range includes Dripline (both using Inline and Online Drippers), Micro Sprinklers, Filters and equipment for Green Houses/ Protected cultivation.

HOME AND GARDEN

HARVEL, in partnership with **GARDENA** – Germany introduced to elite Indian households the delights of world class products which improved their gardening experience. The GARDENA Watering Systems irrigate home gardens with visually pleasant impact and their Horticultural Cutting Tools provide unmatched functional ease and durability.
